

Register a vehicle

In the main menu, you will find all features which are:

- Consulter une opération
- Ajouter un véhicule
- Opérations
- Statistiques

When you'll click on "Ajouter un vehicule", the panel will change and il will display the form to be filled in to register a vehicle.

"Ajouter un véhicule"

The screenshot shows a web application window titled 'CarSharingClub - Maintenance App'. At the top, there are four tabs: 'Consulter une opération', 'Ajouter un véhicule' (which is highlighted in blue), 'Opérations', and 'Statistiques'. Below the tabs, there is a search section with the text 'Rechercher par ID :', a text input field, and a 'Rechercher' button. The main form area contains several input fields: 'ID véhicule', 'Immatriculation', and 'Date entrée @/MM/AAAA'. Below these is a dropdown menu labeled 'Congenital malfo...' with a blue arrow icon. To the right of the dropdown is an 'Ajouter panne' button. At the bottom of the form, there are two buttons: 'Enregistrer' and 'Reset'.

Is displayed in this panel (for this operation) :

- A search Bar (vehicle's id search bar) with a button
- the id of the vehicle
- the immatriculation of the vehicle
- the date of entry ;
- a list where you can select a failure if you need more failure (for exemple if the car has 5 failure) and you need to choose and validate a failure 5 times. « Ajouter panne » button to validate ;
- two buttons Reset to reset the form and « Enregistrer » to finish the operation.

- What happens when you search a vehicle ?

The screenshot shows a web application titled "CarSharingClub - Maintenance App". At the top, there are four tabs: "Consulter une opération", "Ajouter un véhicule" (highlighted in blue), "Opérations", and "Statistiques". Below the tabs, there is a search bar labeled "Rechercher par ID :" with the value "33" entered and a "Rechercher" button. The search results are displayed in a form with the following fields: "ID véhicule" (33), "Immatriculation" (DC-868-1A), "Date entrée (JJ/MM/AAAA)" (2017/06/10 06:10:51), and "Congénital malfo..." (with a dropdown arrow). Below these fields are two buttons: "Ajouter panne" and "Enregistrer". At the bottom, there are two buttons: "Enregistrer" and "Reset".

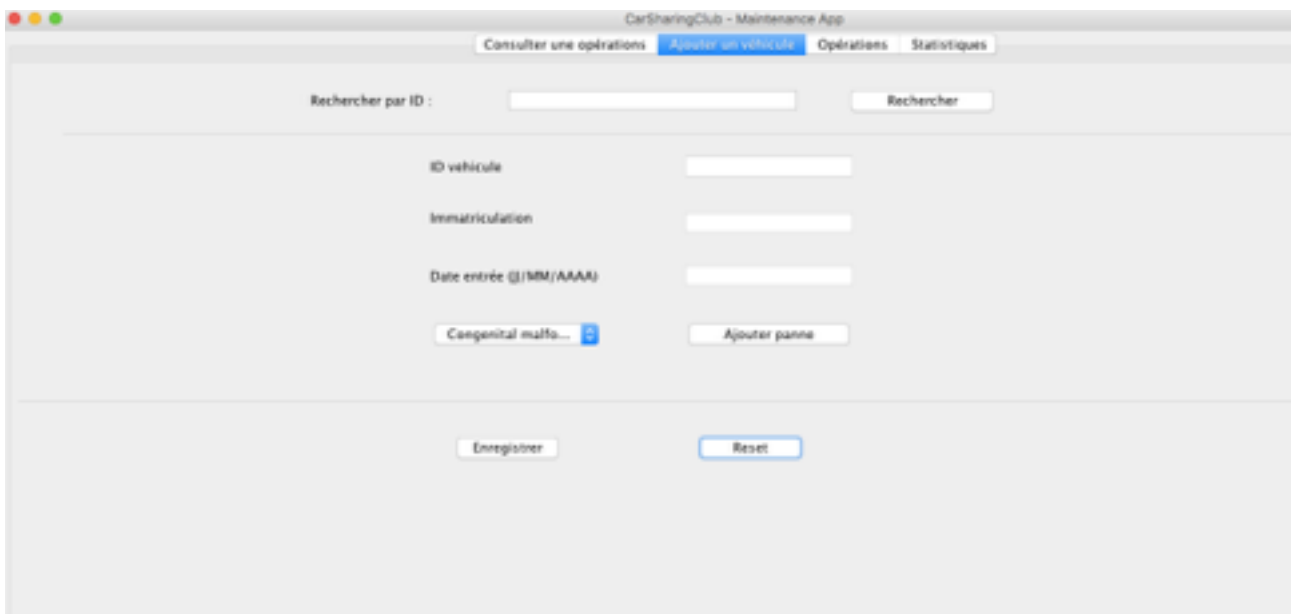

The system updates the form with the information of the vehicle.
For example : the vehicle 33

What happens when you click the button "Ajouter Panne"

This screenshot is identical to the previous one, showing the same search results for vehicle ID 33. The "Ajouter panne" button is now highlighted with a blue border, indicating it has been clicked or is the active element.

The system will add a failure in the vehicle information (you can't see all of vehicle's information)

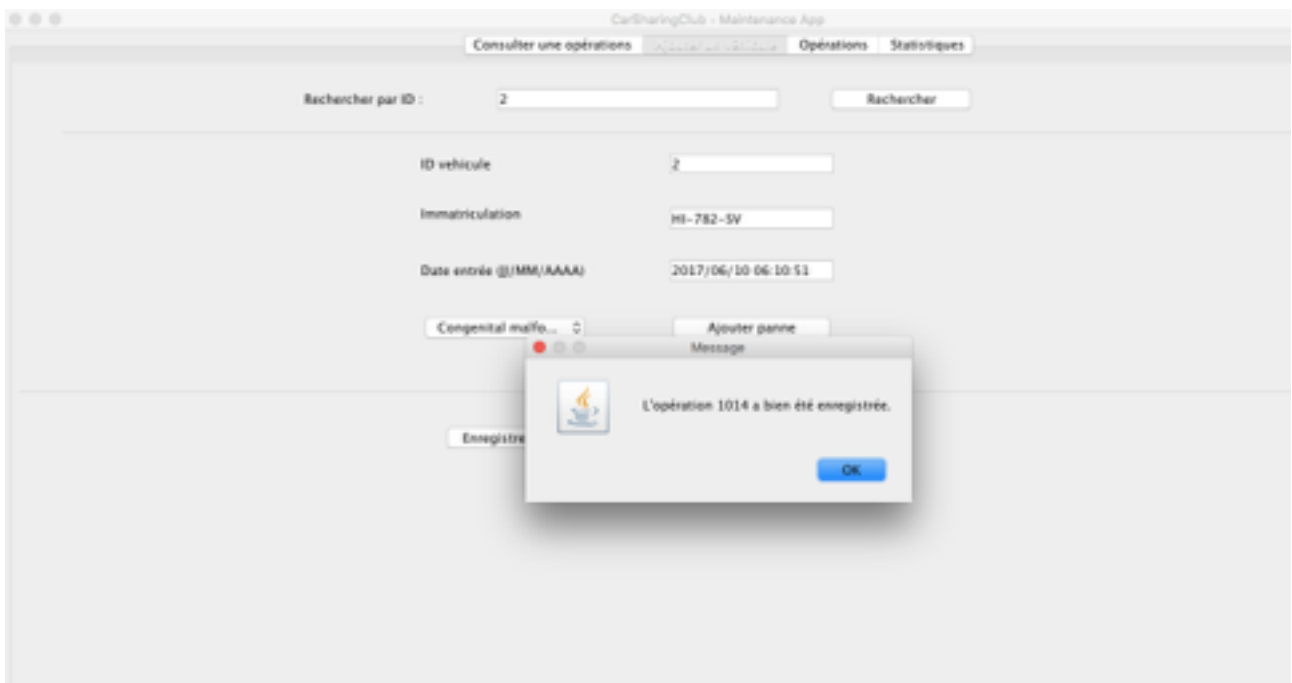

- What happens when you click on the Reset button ?

The screenshot shows a web application window titled "CarSharingClub - Maintenance App". At the top, there are four tabs: "Consulter une opération", "Ajouter un véhicule" (which is highlighted in blue), "Opérations", and "Statistiques". Below the tabs, there is a search bar labeled "Rechercher par ID :" with a text input field and a "Rechercher" button. The main form area contains several input fields: "ID véhicule", "Immatriculation", and "Date entrée (JJ/MM/AAAA)". Below these is a dropdown menu labeled "Congestral malfo..." and a button labeled "Ajouter panne". At the bottom of the form, there are two buttons: "Enregistrer" and "Reset".

The system will put all fields of the form to "empty"

- What happens when you click on the "Enregistrer" button ?

This screenshot shows the same application window as the previous one, but with the "Enregistrer" button clicked. The form fields now contain data: "ID véhicule" is "2", "Immatriculation" is "H9-782-SV", and "Date entrée (JJ/MM/AAAA)" is "2017/06/10 06:10:53". A modal dialog box is open in the foreground, titled "Message", with a small icon of a lightbulb. The message inside the dialog says "L'opération 1014 a bien été enregistrée." and there is an "OK" button at the bottom right.

The system will add into the data base the new vehicle with : his failure, id, immatriculation, date of entry, parking place number.

It will open a pop-up to confirm that you add a new vehicle.
